

**Minnesota Chapter #1** is holding a fundraiser;

***When: Saturday, September 11, 2009 from 6:30 to 8:30***

***Where: The Masonic Center on Plato Ave. in St. Paul***

***What: There will be musical performers, Comedy. A Silent Auction and food***

While Minnesota #1 is the most active Chapter in the State of Minnesota. Our investments have suffered as everyone else's have in the last year. There is a budget short fall. We are seeking to raise funds so we can meet our obligations

To accomplish this goal we need your support. Specifically we are seeking donations for our Silent Auction. We are requesting that you donate items for our Silent Auction that you believe would assist us in our fund raising. By "items" we are referring to either goods or services. Services offered at other events have included such things as a coupon from a massage therapist, a plane ride, or lawn mowing. We are looking for items of varying value. Given the crowd we expect, it would be nice if we could have some Masonic related items such as books and memorabilia, but all items will be welcome.

If you are willing to make such a donation we would request that you tell us soon what you will donate by responding to this email and make arrangements to deliver the items to Plato prior to the commencement of the fund raiser.

Masonic Charity begins at home. Help us stay vital. Donate items. Even if you do not please attend the event. This is to fill a serious need of the chapter and it should be fun. Two great reasons for plnning this into your schedule. Admission in Advance will be \$10.00, \$12.00 at the door. (Those who donate to the Silent Auction can be admitted at the door for \$10.00)
